

JOIN THE FREE SPIRIT ADVISORY BOARD

Free Spirit Publishing, the leading publisher of learning tools that support young people's social and emotional health, seeks preK–12

Teachers, Administrators, Librarians, Counselors, and Social Workers

to join its advisory board. In order to make our books and other products even more beneficial for children and teens, the advisory board will provide valuable feedback on things like content, text, and art and help us identify what educators need to support the kids they serve.

Board member responsibilities include:

- a one-year commitment
- timely responses to occasional brief queries sent electronically (up to three a month)
- timely responses to semi-annual surveys
- confidentiality

In addition, there may be opportunities to test products with students.

Board members must have access to the Internet and email and be able to receive and open PDFs. Infrequently, we may contact members by telephone.

Individuals selected for the board will receive an official certificate of membership and recognition on our Web site and other corporate communications.

Members who satisfactorily complete their year of service (provide responses to at least 75 percent of our queries) will receive a \$75 Free Spirit gift certificate as our thanks for their contribution. Some members may be asked to serve again.

If you're interested, please fill out and submit an application. Applications available on our Web site, www.freespirit.com. Application reviews are ongoing. Successful applicants will be contacted.

Contact Eric Braun, braun@freespirit.com, with questions.
