

While walking through a field,
you find something to eat.
It doesn't have bones, and it
doesn't have meat. You put it
in your pocket. At home you
put it on a shelf, but three days
later it walks away. What is it?

Answer: It's an egg.

Here's a
BRAIN BOOSTER
to research and talk about:

.....

Why might a person feel more energetic after exercising?

What does this say?

**GROUND
FEET
FEET
FEET
FEET
FEET
FEET**

Answer: six feet underground
